This delightful second floor flat in Banstead offers a perfect blend of comfort and convenience. With its prime location just a stone's throw from the vibrant High Street, residents can enjoy easy access to a variety of shops, cafes, and local village amenities.

The apartment boasts two generously sized double bedrooms, providing ample space for relaxation and rest. The bright and airy living room is perfect for entertaining or unwinding, and a separate dining area. The fitted kitchen is practical and functional, catering to all your culinary needs.

The property also features a well appointed bathroom and plenty of built in storage, ensuring that every inch of space is utilised effectively including a loft. Additionally, residents will appreciate the convenience of dedicated parking bay.

Outside, the flat overlooks beautifully maintained communal gardens, offering a tranquil setting to enjoy the outdoors.

The property also enjoys being share of freehold and the communal areas are incredibly well maintained and cared for. In fact, it is immediately evident from the moment you step foot into the communal gardens that this sought after development is held in high regard by the residents who love living here, and as such (in our opinion) feels far superior to all other choices of apartments in this price range, making it one to see. There is communal parking and arguably more built-in storage than any buyer would expect from an apartment including the large store room.

This quiet development enjoys a fantastic position and is within walking distance of the heart of the village with its excellent High Street shopping that includes a Waitrose Supermarket and the M&S Simply Food store. The village also has numerous high quality cafes and restaurants.

Nearby the open spaces of Banstead Downs provide beautiful walks and cycling routes, and Oaks Park and Epsom Downs are also easily reached. The A217 provides an arterial route to

London and the M25 motorway at Reigate Hill (J8) and there are rail services at Banstead Station some 0.3 of a Mile away. In short, the property enjoys an ideal location for accessing the area's many cultural, leisure and sport venues.
