From the beautiful light and welcoming central entrance hall with its original parquet flooring, the wonderful feel of this property is immediate and instantly sets the tone of things to come. The impressive 18ft x 18ft kitchen/dining/family area is the first room you come to and its an absolutely stunning space which caters for day to day family life in every way you could wish for.

There is a beautiful and well designed fitted kitchen with noteworthy points including high quality appliances, boiling hot

water tap, breakfast bar and granite worktops to name but a few. The kitchen seamlessly links to a defined dining area, alongside the French doors that open directly to the terrace.

The double aspect living room enjoys a cosy and relaxing feel to it, and the room has been well designed with its sitting area centred around a gas fireplace and a further defined space that is being used as a snug/music area. The original formal dining room is currently being used as a home office but could double as a play room or family space. From a practical sense there is a door from the kitchen to a large utility room which also has access to the garage, and of course there is a downstairs cloakroom which completes the ground floor.

On the first floor are four exceptionally well proportioned double bedrooms, a large ensuite shower room and a tasteful modern family bathroom with separate W.C that has been recently refitted, not to forget that there is carriage driveway, integral garage, solar panels which make a significant contribution to energy costs and huge scope to extend the home further STPP too.

Links Road is a truly stunning family home offering a large or growing family everything it could possibly wish for. Ideally suited for entertaining or for the family that needs to be close to everything including the train station, this house has it all.

The prestigious Epsom College is just a short walk away as is the outstanding Wallace Fields Infant & Junior schools.
