Available for the first time in over 50 years, this much-loved detached family home occupies a wonderful position within one of Epsom's most sought-after and rarely available roads. Set in the heart of the highly desirable Wallace Fields area, the property offers an impressive 1996 sq ft of well-balanced accommodation and is brought to the market with no onward chain. It presents a rare opportunity to acquire a home of substance and character in a location that perfectly combines convenience, community and charm.

The house sits on a beautifully mature south/easterly facing plot with a stunning rear garden measuring approximately 86ft by 52ft. This tranquil space enjoys an exceptional degree of privacy, surrounded by established trees and planting that create a delightful backdrop for outdoor living. To the front, a generous driveway provides ample off-street parking and access to the garage, completing the property's excellent kerb appeal.

Inside, the accommodation is bright, spacious and well proportioned, with many rooms enjoying a wonderful flow of natural light. The ground floor includes a living room, a

separate dining room and a versatile family room or study, offering plenty of flexibility for modern family life. The modern kitchen/breakfast room provides a sociable hub for daily living and is complemented by a useful utility room and a downstairs cloakroom. The original part of the house retains attractive wooden parquet flooring under its carpeting, adding warmth and a sense of timeless quality to the space.

Upstairs, the principal bedroom suite is particularly impressive, featuring a large walk in dressing room and a modern ensuite bathroom. There are three further well proportioned bedrooms and a generous family bathroom. The loft is also sizable, providing ample storage and potential for future conversion if desired. The property has already benefited from a previous sympathetic extension to the first floor but still offers significant scope to further enlarge or remodel (STPP), allowing the new owners to truly make it their own.

St. Johns Avenue is a highly requested and family friendly road, perfectly positioned for easy access to excellent local schools. Wallace Fields Infant and Junior Schools are just a short walk

away, and the home also falls within the catchment area for the outstanding Glyn and Rosebery secondary schools. Epsom town centre and Ewell East railway station are within easy reach, providing excellent commuter links to London Victoria, Waterloo and London Bridge.

Adding to the appeal, Alexandra Park is right on your doorstep, complete with tennis courts, a children's playground and the popular Park View Café — the perfect spot to grab a coffee on your way to the station or enjoy a slice of cake at the weekend. The area offers a welcoming, family-oriented atmosphere and a wonderful quality of life.

Homes of this calibre in Wallace Fields are seldom available. We invite interested parties to register their immediate interest, after which private viewings will be arranged.
