A convenient downstairs cloakroom and a welcoming reception room overlooking the garden further enhance the flow and functionality of the ground floor.

The first floor features three well sized bedrooms and a contemporary family bathroom, creating a comfortable space for children, guests, or a home office. The second floor is dedicated to an impressive master suite, complete with an ensuite shower room and elegant Juliette balcony accessed through bi fold doors, a serene retreat that offers both style and tranquillity.

The garden's design perfectly complements the home's spacious interior, extending the living space into the outdoors.

At the front, the property benefits from a garage with a generous loft area, ideal for additional storage or a potential hobby space. Homes of this calibre, offering both convenience and comfort, are rarely available for long and therefore an early viewing is strongly recommended to fully appreciate all that this outstanding family home has to offer.
