Having been well loved by the previous owner for the last 17 years, the property would suit downsizers and professionals alike who are looking to enjoy the convenience of the location, just moments from the town centre, the tranquillity of the conversation area, and for any families, the catchment for the highly regarded Stamford Green Primary School.

In its current configuration the property offers two bedrooms to the front, generous living room that links to a conservatory with a Daikin air conditioning unit which both heats and cools ensuring the temperature is regulated year round, this room has direct access on to the rear garden, kitchen and a modern white bathroom. Such is the rarity of this opportunity, we are inviting

The generous South Westerly facing rear garden has been well maintained over the years and provides a secluded oasis for those who wish to either relax and entertain or enjoy making the garden their own. The private driveway and frontage leads to a generous detached garage to the rear of the property.

Properties on Eastdean Avenue rarely come to the market, especially those that have not been extended to the full extent in-line with other examples on the road. It is situated within close proximity of Epsom town centre with its comprehensive range of shopping facilities, restaurants and bars and Epsom mainline station which is very well served with trains to London Waterloo and London Victoria.

For those wanting to enjoy outside activities, Epsom Common with its hundreds of acres of woodland, bridle paths and

woodland walks providing easy access to the picturesque Horton Country park is on the doorstep and Epsom Downs Racecourse is just a short drive away. Stamford Green Conservation Area itself centres around a local lake which is enjoyed all year round by walkers and dog walkers as well as families feeding the ducks.
