This attractive and cleverly extended Victorian semi detached house is set within a popular and much requested crescent that is just a short walk of Epsom town centre and the railway station (approximately 0.5 miles away) making it a commuter's paradise with direct, fast links to London.

This fine home not only benefits from all the practicalities of town centre living, it successfully manages to balance a feeling of being almost semi rural when you step into its fantastic 100ft South Easterly garden, it really enjoys an incredible position with a secluded and private feel.

The accommodation offers impressive and flexible space totalling almost 1200 Sq. Ft which is laid out over three floors with a stylish, yet truly homely feel throughout, and in our view, finding a more impressive home within this price point would be a very difficult task indeed.

As soon as you step through the front door the amazing feel of

the property is immediately evident, with lots of natural light throughout.

The entrance hall gives access to a bay fronted living room with feature fireplace all setting the tone of what's to come. The central dining room is a great size and links to the well equipped kitchen. From a practical sense, the ground floor is completed by a utility room and a downstairs W.C.

On the first floor are two double bedrooms serviced by a four piece family bathroom and the property is completed on the second floor by an amazing principal bedroom suite with shower room and a flexible fourth room which could double as a study or nursery space.

Further noteworthy points include the 100ft secluded South Easterly facing rear garden, a storage shed at the end and plenty of space to extend to the rear (STPP). The driveway with parking to the front completes this fine home.

Miles Road is a really special location with a strong sense of community amongst its residents. Whether its the occasional street parties, its active and very friendly WhatsApp residents group or the council-approved monthly street closure for a couple of hours on a Sunday for 'playing out' sessions, these things all make it a welcoming place for families. And whilst there's never any pressure to participate, it certainly helps make this a brilliant and enjoyable place to live.

Epsom is a popular commuter town, located to the south west of London and offers a good mix of state and independent schools for all age groups. Also close by is Epsom Downs, the home of The Derby. The M25 (Junction 9) is a short drive away giving access to both Heathrow and Gatwick international airports.
