Enjoying a truly wonderful position within the heart of the Chase Estate, this charming and attractive semi-detached house enjoys an incredibly well balanced layout that is perfect for the growing family or discerning downsizer. When you couple the potential it provides, with its plot of 0.16 of an acre and secluded South Easterly facing garden, finding a home with this much potential will be a very difficult task indeed.

We believe that this flexible home offers the perfect opportunity for the new owner to place their own stamp on the property, customise to individual tastes and essentially create their dream home. The property offers scope to extend STPP and should be viewed for what it currently is and what it could potentially be.

The property is within the catchment of many fantastic

local primary and secondary schools and located within a short walk from Epsom town centre and the railway station with its regular services to London Victoria, Waterloo and London Bridge.

As soon as you step through the front door the amazing feel of the property and fantastic layout is immediately evident, with a larger than average entrance hall that is a wonderful space in its own right.

From a practical sense, there are two generous reception rooms, 19ft kitchen/breakfast room with ample built in storage, three well proportioned bedrooms and a modern four piece bathroom. The accommodation is completed by a loft space and a brick built garage behind the house offering further space to store bikes and other equipment.

The gardens, frontage and overall plot are seriously impressive with genuine scope to significantly extend the existing house if desired (subject to the usual planning consents). The garden is approximately 200 ft and benefits from a good degree of privacy from neighbouring homes and there is a driveway with off street parking to the front.

Heading out for a bumble around? Just on the doorstep of your soon to be property are a wealth of brilliant open spaces for dog walking, cycling, and running, including the historic woodlands of Stamford Green, Horton Country Park and Epsom Common. Your step counter won't know what has hit it!

This property really is an amazing opportunity to turn it into a special home and will not hang around for long.
