Located within a popular cul-de-sac on the ever sought-after Chase Estate, this attractive detached home on Hamilton Close is offered to the market with no ongoing chain, making it an ideal purchase for those seeking a smooth and timely move.

The property enjoys a secluded, south-easterly facing rear garden, providing a wonderful sense of privacy alongside a sunny aspect. To the front, there is a private frontage with a good-sized driveway, while a gated side area leads through to a detached garage, offering further practicality and secure access.

Internally, the home offers well-balanced accommodation with excellent scope for future growth. Our clients have previously commissioned architectural drawings to significantly extend the kitchen and create a fourth bedroom, with plans available upon viewing. This presents an exciting opportunity for buyers looking to enhance the property or secure a home with long-term flexibility.

The ground floor offers a welcoming and thoughtfully arranged layout, with well-proportioned living spaces that flow effortlessly

and are filled with natural light. The central entrance hall immediately sets the tone, featuring attractive oak parquet flooring that extends across much of the ground floor. To the rear, a triple-aspect living room with Rennie Macintosh style fireplace provides a bright and airy space, with direct access to the landscaped garden, while a separate dining room, fitted kitchen, and a contemporary downstairs shower room complete the accommodation.

While the home is already well balanced, it's important to appreciate the exciting potential it offers. The kitchen and dining areas present an excellent opportunity to be opened up or extended (STPP), allowing for the creation of a stylish, open-plan family hub tailored to modern living.

Upstairs, there are three well-proportioned bedrooms, including two generous doubles and a comfortable single, all served by a modern family bathroom with underfloor heating. The current layout works perfectly as is, yet also provides clear scope for reconfiguration or extension in line with the existing architectural plans.

Outside, the secluded 72ft rear garden is a true highlight, enjoying a south-easterly orientation and offering a peaceful setting for relaxation or entertaining. The combination of privacy, space, and future potential makes this garden particularly appealing.

The property is ideally positioned within walking distance of Epsom town centre and mainline station, with regular services to London, as well as being within catchment of highly regarded local schools.

Homes in this location offering such flexibility, privacy, and future potential are rarely available. Early viewing is highly recommended to fully appreciate what this property has to offer.
