Amberwood Grove represents a rare opportunity to acquire the final remaining home within this exceptional gated enclave of just six detached and two semi-detached luxury residences, discreetly positioned on the edge of the world-renowned Epsom Downs.

Now fully completed, with all neighbouring homes sold and occupied, Amberwood Grove has evolved into something increasingly difficult to find, an established private cul-de-sac with an immediate sense of community, maturity and calm. The beautifully designed streetscape, elegant architecture and landscaped surroundings create an atmosphere that feels both refined and welcoming from the moment you arrive.

Occupying arguably the finest position within the development, Plot 5 sits tucked away at the end of the cul-de-sac, enjoying enhanced privacy, a generous wraparound garden and particularly attractive curb appeal. The handsome brick and render façade and large resin-bound driveway providing private parking for up to 4 vehicles immediately reflect the quality and attention to detail that defines the entire scheme.

Built by the highly regarded Nuro Homes, renowned for their craftsmanship and considered design, this is a home that successfully bridges the gap between contemporary efficiency and timeless character, offering the

practicality of a modern home without sacrificing warmth, charm or individuality.

At the heart of the property lies an outstanding 41ft x 27ft open-plan living space, thoughtfully arranged to create beautifully connected yet distinct areas for cooking, dining, relaxing and entertaining. The shaker-style kitchen, centred around an impressive Rangemaster stove, forms a natural focal point and flows effortlessly into the dining and family spaces. Expansive Cortizo sliding doors span the rear elevation, flooding the interior with natural light and opening directly onto the landscaped garden to create seamless indoor-outdoor living.

A separate snug or TV room provides valuable additional reception space, ideal for quieter evenings, children's use or home working, while a cloakroom and utility cupboard complete the ground floor.

The first floor offers three generous bedrooms, including a stylish principal suite with ensuite shower room, alongside a beautifully appointed family bathroom finished to an exceptional standard. Occupying the entire top floor, the fourth bedroom suite offers excellent flexibility as guest accommodation, a teenager's retreat, or a sophisticated home office space.

The specification throughout is exemplary, with features including underfloor

heating across the entire ground floor, an air source heat pump, video and audio entry system, EV charging point and automated garden irrigation system.

Amberwood Grove offers an enviable balance of privacy and convenience within a secure gated setting moments from the open green spaces of Epsom Downs. Tattenham Corner station is within walking distance, providing direct services into Central London, while the M25, Heathrow and Gatwick are all easily accessible.
