The accommodation continues to impress on the first floor, where five double bedrooms provide excellent comfort for larger families or visiting guests. The master bedroom benefits from its own ensuite, while the family bathroom features a characterful roll-top bath and separate shower. The sense of space and light throughout the upper floor further enhances the home's suitability for long-term family living.

Adding yet more versatility is the separate annexe, which provides an ideal solution for multi-generational living, guest accommodation or even a home-office suite. Its presence significantly widens the options available to future owners, ensuring the property can adapt to changing circumstances over time.

With outstanding school catchment options and having been enjoyed by the same family for over 40 years, this unique home combines character features, generous proportions and exciting scope for further enhancement.
