Set within the heart of Ewell Village, Bluebird House is an exceptional collection of just fourteen thoughtfully designed homes, forming an exclusive and private community in a highly sought after central location. Blending contemporary architecture with a rich sense of history, this distinctive development occupies the former site of J. Jameson Engineering, renowned for crafting components for Bluebird, the legendary car driven by Malcolm Campbell during his world record breaking runs.

Arranged across a series of individual buildings and centred around a beautifully designed private courtyard, each home at Bluebird House has been carefully conceived to offer its own unique character and layout. The collection includes a range of spacious one bedroom apartments, an elegant two bedroom mews house, and two striking three bedroom residences, ensuring broad appeal while maintaining a strong sense of individuality throughout.

Finished to an exceptional standard, every property has been crafted using high quality materials and refined specifications, delivering a level of luxury and attention to detail that sets this development apart. Bluebird House offers a rare opportunity to enjoy modern living within a setting that celebrates both heritage and design, all just moments from the amenities and charm of village life.

Tucked away in an attractive mews style setting, this beautifully designed home offers a perfect blend of style, comfort and practicality, complete with a private parking space and EV charging to the front.

Stepping through the front door, you are immediately welcomed into an impressive 27ft x 19ft open plan living, kitchen and dining space, an expansive and light filled area designed for modern living. The contemporary kitchen is fully equipped with integrated appliances and elegant quartz worktops, seamlessly connecting with generous dining and relaxation areas, making it ideal for both everyday life and entertaining. Cleverly designed storage is provided via a large under stairs cupboard, while a separate utility/cloakroom adds further convenience to the ground floor.

Upstairs, the sense of space continues with two well proportioned double bedrooms, each offering its own private en suite. The principal bedroom benefits from a sleek shower room, while the second bedroom is served by a stylish en suite bathroom, creating a perfect balance of comfort and privacy for residents and guests alike.

Extending to just under 1,100 sq ft, this thoughtfully laid out home also features a small courtyard to the front, enhancing its mews style charm. Finished to a high specification throughout and benefiting from a full 10 year building guarantee, this is a superb opportunity to enjoy contemporary living in a unique and well considered home.

The highly desirable Ewell Village has a rich background dating back to the Bronze age and at the end of the middle ages King Henry VIII established Nonsuch Palace (now Nonsuch Park) in 1538. The High Street offers a variety of shops, restaurants, cafés and pubs. Bourne Hall hosts a public library, subterranean theatre, gymnasium, café, and local museum. It regularly holds gatherings such as fayres and exhibitions.

In the heart of the village lies the picturesque Hogsmill river leading up to the nature reserve. There are a range of popular local schools and of course both Ewell East and West stations (zone 6) offer easy access to London with Waterloo and Victoria taking approximately 40 minutes.

Tenure - Freehold
Annual service charge amount (£) - £500.00
Council tax band - TBC
