Arriving at the property, the landscaped frontage with a smart block paved driveway providing ample off street parking sets the perfect first impression. The addition of an EV charging point is a practical touch and there is also access to the detached garage and a side gate with key code entry.

As soon as you step through the front door the amazing feel of the property and fantastic layout is immediately evident. There is

a warm and welcoming feel to this home with lots of natural light throughout.

From a practical sense, there are three reception rooms, which include, a family room/dining room with doors to the garden, a living room/TV snug and a separate study/home office.

The kitchen links to the garden via a side door and is a good size whilst ensuring that any new owner can re imagine their dream space and personalise it, if desired.

On the first floor there are four nicely proportioned bedrooms, there is an ensuite shower room to the guest bedroom and a modern family bathroom that complete the accommodation.

The South/Westerly facing 98ft x 40ft garden has a great feel to it with genuine seclusion from the neighbouring homes.

The detached games room is the perfect space for teenagers and over the years has been a gym, dance studio, den and bar,

and then there is a further garden pod which makes for a peaceful work from home office space or just the perfect quiet space to relax in.
