Designed with modern family living in mind, the home has been cleverly and expertly extended to enlarge the principal reception areas, creating a more balanced layout with a genuine sense of space and a subtle wow factor. The well-defined yet free flowing reception rooms connect effortlessly, forming an open and sociable environment that works equally well for entertaining, family gatherings and everyday life.

The ground floor is both practical and beautifully light filled, comprising a welcoming entrance hall, a generous kitchen/breakfast room and an impressive extended living/dining space. A striking glass atrium acts as an

architectural focal point, flooding the room with natural light, while bi folding doors open seamlessly onto the garden, enhancing the connection between indoor and outdoor living.

A separate family room with a part vaulted ceiling and adjoining utility area provides additional flexibility and could be reconfigured to create a self contained annexe if required. A downstairs cloakroom and integral garage complete the ground floor, with the garage also offering potential for conversion into further living space, subject to the usual consents.

The first floor continues to impress with three well proportioned double bedrooms and a family bathroom. Occupying the top floor is a spacious principal suite with a modern en suite shower room, providing a peaceful retreat and completing this well balanced home.

Externally, the property benefits from a fully enclosed, landscaped rear garden designed for ease of maintenance and enhanced by mature planting, creating a private and attractive

outdoor space. To the front, a driveway provides off street parking alongside the integral garage/store.

Livingstone Park is a quiet and well regarded residential development, ideally positioned for Southfield Park Primary School and moments from Horton Golf Club and Horton Country Park, which offer scenic walks and cycle routes in a tranquil setting.

Epsom town centre is easily accessible and provides a wide range of amenities including shops, bars, restaurants, cinema and theatre facilities, as well as access to well regarded schools. Epsom railway station offers regular services to London Waterloo, Victoria and London Bridge, while Junction 9 of the M25 is approximately three miles away, providing convenient access to both Heathrow and Gatwick airports.

Viewing is highly recommended via the vendor's sole agent.
