Every room has been thoughtfully curated, every finish carefully chosen, creating a home that feels both luxurious and effortlessly liveable.

The ground floor is anchored by a remarkable 29'6" x 25'3" open plan kitchen, dining and family space, complete with underfloor heating, a dramatic, architectural environment where exposed beams, premium materials and full width bi fold glass doors come together to create a seamless connection between indoors and out. Flooded with natural light and designed for modern family life, it is a space equally suited to relaxed evenings, lively gatherings and everything in between. The contemporary kitchen features a large central island, sleek cabinetry and warm textural accents, while the adjoining living zones offer flexibility and flow.

A second reception room provides a calm, elegant retreat, perfect as a formal lounge, media room or quiet sanctuary away from the main living space. A separate utility room and internal access to the garage/storage area add practicality without compromising the home's refined aesthetic.

The first floor hosts five beautifully proportioned bedrooms, each with its own character and charm. The presentation throughout is immaculate, with a calm, contemporary palette that enhances the sense of comfort and tranquillity. Whether used as family bedrooms, guest rooms or dedicated workspaces, the versatility of this level is a key strength of the home.

The top floor offers a private retreat ideal for older children, guests or those seeking a dedicated workspace. This spacious room is complemented by a modern en-suite shower room and provides superb flexibility for multi generational living or evolving family needs.

The bathrooms throughout the home are finished to an exceptional standard, combining contemporary tiling, sleek fixtures and spa-like detailing to create calm, restorative spaces. Every element has been chosen with care, resulting in a cohesive, high quality finish across all floors.

Outside, the landscaped rear garden offers a private oasis, a beautifully maintained lawn framed by mature planting, a generous stone patio and a peaceful backdrop that invites relaxation. The full width sliding doors from the main living area create a wonderful indoor, outdoor lifestyle, perfect for summer entertaining, children's play or simply unwinding at the end of the day.

With its generous proportions, exceptional design and enviable position on one of Worcester Park's premier roads, this is a home that truly stands out. A rare opportunity to secure a property that delivers space, style and lifestyle in equal measure, ready to move into, ready to enjoy, and ready to make your own.

Worcester Park offers a larger choice of amenities including a Waitrose, banks/building societies and other essential stores, as well as a variety of restaurants, Worcester Park also offers great access to public transport. There are a good choice of local schools for all ages including Cheam Common Infants and Juniors, Nonsuch Primary and High School for Girls and Sutton Grammar to name a few.

The property is within walking distance of both Stoneleigh and Worcester Park mainline rail stations with regular services to London and both the M25 and A3 are easily accessible, giving a straight forward route to London and both Heathrow and Gatwick international airports, making this property ideal for a commuter too.
