There is a real attention to detail throughout this home, with our clients choosing stylish design touches that provides ground floor living space which is perfect for entertaining, social occasions and most importantly, day to day family life.

Blending traditional charm with a contemporary yet practical layout, the accommodation is bright and spacious being laid out over two floors. However, for buyers looking for longevity within a home, there is further potential and scope for a significant loft conversion and/or a large ground floor rear extension, which many of these homes have undertaken, subject to planning permissions being obtained.

The covered front entrance porch leads to a welcoming entrance hall and separate living room with a wood burning stove which provides a warm and cosy feel, and a large bay window fitted with bespoke blinds which floods the room with natural light, helping to create a fantastic first impression. Next is definitely the heart of this home, the kitchen/dining room with doors linking to the rear garden, providing the perfect space to cook and socialise with friends and spend time with the family.

Upstairs there are three nicely proportioned bedrooms all with matching double glazed windows and a spacious modern family bathroom complete with a large walk-in shower, a double ended bath and a stylish floating sink with vanity storage beneath, a peaceful retreat for rest and rejuvenation.

Outside, the property also shines with a great sized easterly facing rear garden which provides a good amount of space for the kids to let off steam with a handy storage shed to rear and a driveway to the front with parking for two vehicles.

Worcester Park offers a large choice of amenities including a Waitrose, banks/building societies and other essential stores, as well as a variety of restaurants, with Kingston just a short drive away offering a more comprehensive range of shops. Worcester Park also offers great access to public transport.

The property is within walking distance of Worcester Park mainline rail station with regular services to London and both the M25 and A3 are easily accessible, giving a straight forward route to London and both Heathrow and Gatwick international airports.

There are also local bus routes nearby giving convenient access to Morden underground making this property ideal for commuters.
