Set back behind a generous driveway with garage, this attractive semi detached home immediately sets the tone for relaxed, family focused living. From the moment you step inside, there is a wonderful sense of space, natural light and a connection to the outdoors that flows throughout the home.

The welcoming entrance hall leads into two beautifully proportioned reception rooms, both ideal for modern living. The front reception, bathed in light through a wide bay window, is the perfect space for entertaining or relaxed evenings, while the rear reception stretches across the back of the house and opens directly onto the garden. With sliding doors framing leafy views, this is a room designed for everyday living, ideal for family gatherings, quiet afternoons or opening up on warm summer days to let the garden become an extension of the home.

The kitchen sits at the heart of the ground floor, offering ample workspace and room for casual dining, with direct access out to the garden. A separate utility room keeps everyday tasks tucked away, while the exceptionally long integral garage provides not only secure parking but an abundance of storage or potential workspace, perfect for bikes, hobbies or home projects.

Upstairs, the sense of space continues. The principal bedroom is a calm retreat with fitted storage and a peaceful outlook, while the remaining bedrooms offer excellent flexibility for family life, guests or working from home. A large family bathroom serves the floor, complete with both bath and shower facilities, creating a practical yet comfortable space for busy mornings or slow evenings.

One of the home's standout features is undoubtedly the garden. Stretching far beyond the house, the beautifully maintained lawn is framed by mature trees and planting, creating a private, green haven that changes with the seasons. Whether it's children playing, summer barbecues, or simply enjoying the view from inside, this is a garden that invites you to slow down and enjoy the outdoors. Towards the far end, timber outbuildings provide charming, versatile spaces ideal for home working, creative pursuits or additional storage.

With nearly 2,000 sq ft of accommodation including garage space, this home offers a rare combination of generous proportions, flexibility and an enviable connection to its garden.

A property that has clearly been loved and enjoyed, it now presents a wonderful opportunity for its next owners to simply move in, unwind and make it their own.

Stoneleigh is a highly sought after residential area with a bustling Broadway of shops and restaurants at its heart, as well as a mainline railway station with services to Waterloo every twenty minutes. There is a choice of infant and junior schools within the immediate vicinity and the Historic Nonsuch Park runs alongside the South East side.
