ABOUT THE AREA

The Huddersfield Narrow Canal runs through Milnsbridge close to the River Colne. A viaduct carries the trans-Pennine Huddersfield Rail way which runs through Milnsbridge which links Leeds and Manchester via Huddersfield. Milnsbridge spreads through Cowersley to Golcar, Longwood and Paddock.

The main primary school in Milnsbridge is Crow Lane and the main high schools around the area is Royds Hall High School, Salendine Nook and Colne Valley.

Before we reach Milnsbridge on our Colne Valley Walk the canal makes an S bend as it crosses a restored aqueduct leaping over the River Colne. Here, below us, the river tumbles over a semi-circular weir you can see it if you look down through the trees. A few more locks lower the canal still more, before it passes under the main road leading into Milnsbridge.

Colne Valley Walk presents itself at Milnsbridge, you could catch a bus on Manchester Road to take you back to your start point. Walking from Marsden and Slaithwaite, leave the towpath before it passes under the main road.

Milnsbridge has shops, cafes and pubs to take your mind off the walking for a while. Leave the towpath and walk down the main road into the village.
