Well located in this most desirable area of Fixby is a charming semi-detached home, occupying a superb corner plot, offering an inviting open front aspect that enhances its appeal. The property has already been extended, providing ample living space, yet it still presents the exciting potential for further extension, subject to the necessary planning permission.

This location is particularly popular among families and professional commuters, making it an ideal choice for those seeking a sought after community conveniently close to local amenities and transport links. The house has been well cared for, reflecting a sense of pride in ownership that is evident throughout.

Given its attractive features and prime location, early viewing is strongly advised to fully appreciate what this property has to offer. Whether you are looking for a family home or a place to settle down, this house on Fixby Road is certainly worth considering.

ACCOMMODATION

RECEPTION HALL

16'3" x 6'4"

Accessed via a uPVC double glazed front door with leaded and privacy glass inset and with a matching top light over. This grand reception hall displays traditional newel post and staircase rising to the first floor, laminate floor covering, central heating radiator, internal doors leading to the principle ground floor rooms and storage space beneath the stairs. Another securely locked internal door leads to the integral garage, central heating thermostat.

DINING ROOM

15'4" max into the bay x 12'1" max into the alcove

This generous and versatile reception room enjoys good levels of natural light via the uPVC double glazed bay window positioned to the front elevation, enjoying an attractive outlook over the adjoining green space and beyond. There is also decorative coving, central heating radiator and the focal point for the room is a coal effect gas fire within a rustic tile surround.

SITTING ROOM

15'9" max into the bay x 11'5" max into the alcove

Another generous and well presented reception room positioned at the rear of the property overlooking the rear garden via the uPVC double glazed bay window with leaded units inset. There is also a central heating radiator, a former serving hatch into the kitchen and a coal affect gas fire within a marble surround and atop a marble plinth.

KITCHEN

16'1" x 8'5"

Fitted with a range of wall and base units in a beech style with stainless steel bar handle trim and complementary working surfaces incorporating quartz flecks and a stainless steel inset sink unit and draining board with mixer tap. The kitchen has provision for a gas cooker with extractor canopy over, plumbing for a dishwasher, uPVC double glazed window with leaded detail inset to the side elevation. Within the dining area is another uPVC double glazed window with leaded detail and a matching door allowing access to the rear of the property and the garden area. There is beech effect laminate floor covering, part tiled splashbacks around the preparation areas and two central heating radiators.

FIRST FLOOR

BEDROOM 1
