# Morley Lane

Milnsbridge, Huddersfield, HD3 4NS

Offers Around £685,000

This substantial factory unit presents a unique opportunity for both commercial and industrial ventures. The property boasts a generous footprint (circa 638 sq m), making it an ideal canvas for a variety of developments.

One of the standout features of this site is its enviable canal-side location, which not only enhances its aesthetic appeal but also offers potential for leisure and recreational activities. The existing buildings on the property provide a solid foundation for immediate use or redevelopment, catering to a range of business needs.

Additionally, the site comes with lapsed planning permission for apartments, presenting an exciting prospect for those looking to venture into residential development. This flexibility allows for a multitude of possibilities, subject to obtaining the necessary planning approvals.

Whether you are an investor seeking to capitalise on the growing demand for housing or a business owner looking for a strategic location, this property is ripe with potential. With its prime location and diverse usage options, it is a rare find in the Huddersfield area. Do not miss the chance to explore the possibilities that this land has to offer.
