Offered to the market with no onward chain, this two-bedroom semi-detached bungalow presents an excellent opportunity for buyers looking to put their own stamp on a home.

The accommodation is well proportioned throughout and comprises a good size lounge, a separate kitchen, two generous double bedrooms, and a bathroom. While the property now requires modernisation, it offers a solid layout and plenty of scope to update, extend, or reconfigure, subject to the necessary consents.

A particularly useful feature is the basement level, currently used as a workshop, providing valuable additional space ideal for storage, hobbies, or further development potential. The split-level rear garden adds character and offers the chance to create a private outdoor retreat with thoughtful landscaping.

Further benefits include gas central heating via a combination boiler and the advantage of no onward chain, allowing for a straightforward purchase.

This is a fantastic opportunity for downsizers, investors, or anyone seeking a bungalow with genuine potential in a popular and established location.
