If you are looking for a three bedroom home with no onward chain, a great sense of space and a location that really works for day to day life, this end of terrace property is well worth your attention.

Set in a well connected position with local amenities close at hand, Sandy Park Road offers a brilliant selection of independent shops and cafés including Grounded and Deli, with the ever popular Paintworks just a short stroll away, home to Miro Lounge and Alex Does Coffee. Regular bus services run from Sandy Park Road, making access into the city straightforward, while nearby green spaces such as Arnos Court Park, Nightingale Valley Nature Reserve and St Anne's Wood provide wonderful outdoor escapes, particularly appealing for dog walkers and families alike.

Step inside and you are welcomed by a bay fronted living room to the left, a bright and comfortable space that works perfectly as a place to unwind. To the rear, the kitchen offers plenty of storage and worktop space, with room for appliances and an easy flow through to the ground floor shower room. From here there is access to the rear garden and a separate dining room, with patio doors opening into the conservatory, creating flexible living and entertaining space.

Upstairs, the property offers three bedrooms, two generous doubles and a third single bedroom that would make an ideal home office or nursery. Completing the first floor is a contemporary family bathroom fitted with a shower over the bath.

Outside, the home continues to impress with a driveway providing off street parking and side access to the rear garden, a useful brick built storage unit and a rear garden laid to patio and lawn. Unusually, there is also a second driveway accessed via a rear lane, offering additional off street parking or further flexibility.

All in all, this is a versatile family home in a location that combines convenience, community and green space, offered with the added benefit of no onward chain.
