Guide Price £500,000 - £525,000

This three bedroom character property is in a popular residential road, conveniently located just half a mile from Reigate station and less than that to the High Street.

The property is in need of updating throughout and would be a great project for anyone looking to make a property their own. Inside the rooms are spacious and well proportioned and there is plenty of light flooding through from the southerly facing rear aspect.

On the ground floor you have two separate reception rooms as well as a good size kitchen and upstairs you will find three double bedrooms and the family bathroom.

Outside the rear garden is a sunny haven. The lawn stretches out in front of you and there are mature plants and shrubs in the borders. The property also has a garden room at the end of the garden, this would make an ideal home office, gym or even a teenage den or man cave and has a handy store area attached, to store the gardening tools and bikes. To the front, the property has a hardstanding which could potentially be converted to off road parking, with a dropped kerb, (subject to approval) which is hard to come by in such a central location.
