Hidden away within a private close, this generously sized house is ideal for a family looking to up-size. Providing more than 1700sqft of internal space and in need of some modernisation this would be a great project for those looking to transform this dated property into a modern and sophisticated home.

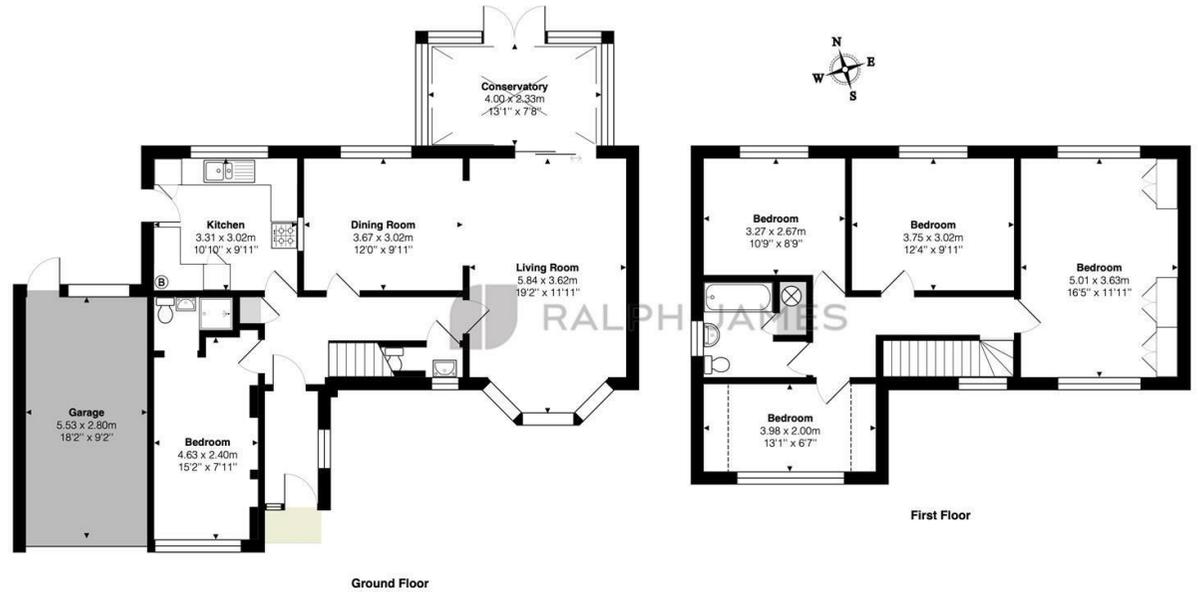

The open plan layout is flooded with natural light from the bay window and conservatory, great for a social household! Downstairs there is a bedroom with en-suite and the first floor has a further four bedrooms. The master is a good size with integrated wardrobes whilst still having plenty of room left over for additional furnishings. The family bathroom has a bathtub with overhead shower and airing cupboard to keep toiletries tidied away.

The large north facing garden has huge potential, with mature trees providing privacy.

Just a brisk walk away from Reigate Grammar School, as well as other outstanding schools in the surrounding area - within walking distance to Reigate town and station, this is a prime location for anyone looking to move to central Reigate.
