“

We always liked the view of the trees from the garden, you would never know you're only 5 minutes walk from town. The quiet cul-de-sac location makes it a very peaceful place to live and yet you are still a very close walk to the train station with the great transport links into London.

Nestled in the peaceful cul-de-sac of Hillfield Close, this beautifully presented three-bedroom semi-detached home offers a perfect blend of character and modern living. Lovingly renovated by the current owners, the property is in excellent decorative order, with thoughtful updates that enhance both style and functionality.

Stepping inside, the home immediately impresses with its inviting and well-planned layout. The front reception room, created as part of a recent reconfiguration, provides a cosy yet spacious retreat, with a stunning bay window allowing natural light to pour in. To the rear, the heart of the home is the open-plan kitchen and dining area, designed for modern family living. The owners have removed a dividing wall to create a seamless space, featuring a timeless shaker-style kitchen with light quartz worktops and underfloor heating for added comfort.
