WHAT'S GREAT?

Step in to what feels like a New York apartment block, with a welcoming and modern foyer with lifts and stairs leading up to the apartments. This one bedroom property is on the fourth floor with exceptional views.

Immaculately presented throughout it is ready for you to literally place your furniture in and start living!

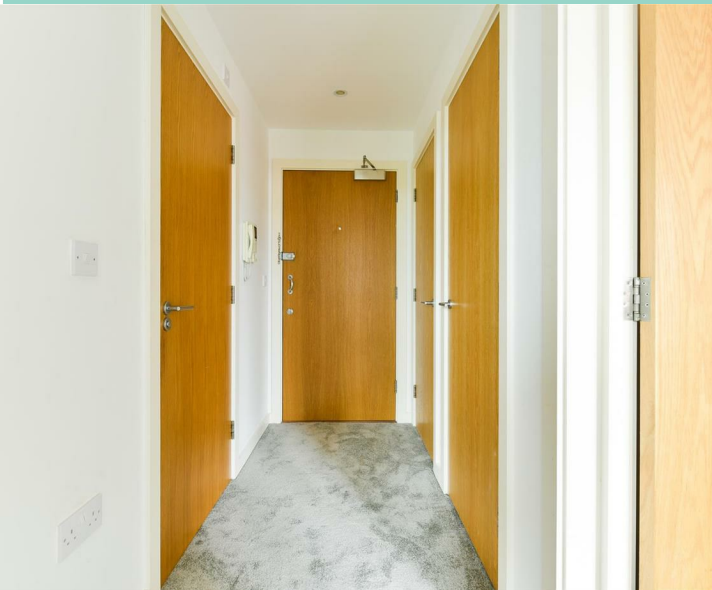

The open plan living/dining area is a great entertaining space for friends and family. A contemporary cream gloss kitchen with dark grey worktop provides plenty of storage space. There's a full size integrated fridge freezer unit, ceramic hob, electric oven and pull out cooker hood. You can easily cook up a meal whilst chatting to your guests and have a sit down meal at a dining table, then retire to the sofa for a cosy evening in front of the TV.

A hallway cupboard houses the washer / dryer to keep the noise and laundry out of the main living area - a really good idea.

A real feature of this flat is the views. With extra large picture windows in each room, the flat is flooded with natural light

Literally a few minutes walk to Redhill mainline station and you can be in London in under an hour! Surrounded by local shops, coffee shops and a few restaurants, Redhill town centre holds a lot of what anyone would need on a day-to-day basis. However, if you enjoy evenings out, or perhaps the cinema, head into Reigate High Street where you can enjoy a stroll through the quaint and elegant town, enjoy a film at the Everyman cinema and then head out to one of the many bars or pubs Reigate has to offer for a few drinks and maybe to even enjoy some live music!

Thomas likes it
because....

"Queensway has become a popular place to live, especially for young working professionals who need an easy commute to work, yet a quiet retreat to escape home to. This modern apartment needs no work what so ever and has amazing views and you have the added bonus of one allocated parking space."
