

59 Cumberland Road

Bromley, BR2 0PL

£825,000 Freehold EPC: Band D

 **Maguire Baylis**

Guide Price: £825,000 - £850,000. Maguire Baylis are delighted to offer for sale this delightful and highly attractive 1920s semi-detached family home, occupying a sought-after residential road and presented in immaculate decorative order throughout.

Full of charm and character, the property enjoys a distinct cottage-style feel, enhanced by original Crittall windows and a beautifully balanced blend of period features with modern comforts. The ground floor centres around a welcoming open plan lounge & dining area, featuring an original open brick fireplace that provides a wonderful focal point, alongside a fitted kitchen complete with stainless steel range cooker and a useful downstairs WC.

To the side of the house, the former garage has been cleverly converted to create a cosy snug and versatile study area — ideal for home working or additional reception space.

Upstairs, the first floor provides three well-proportioned bedrooms, together with a modern family bathroom incorporating a built-in shower over the bath.

Externally, the property truly excels. The glorious south-east facing rear garden extends to approximately 130ft and offers an exceptional degree of seclusion, bordered by mature trees and shrubs. A flagstone paved patio provides the perfect space for outdoor entertaining and enjoying the tranquil surroundings.

The location is equally impressive, being within close proximity of the highly regarded Highfield School, while Bromley town centre and Bromley South station — offering fast and direct services into London Victoria — are within easy reach, as is Shortlands village and mainline station.

An immaculately maintained and hugely appealing home.
