Occupying a prime position on the highly sought-after Bowes Hill, this individual detached residence offers an exceptional blend of space, privacy and versatility, all set within a beautifully maintained plot of just shy of a quarter of an acre in the heart of the desirable village of Rowlands Castle.

Approached via a generous driveway, Magnolia house is aptly named after the beautiful Magnolia tree at the entrance to this home. The property immediately impresses with ample off-road parking, including space suitable for a caravan or motorhome, in addition to a double garage and adjoining workshop, ideal for storage, hobbies or further potential. The double garage had been built with a twin skin construction and could offer scope, should the new owners wish to convert to further accommodation or even an annexe.

The accommodation is both flexible and well-proportioned, extending to approximately 3,400 sq ft including outbuildings. Internally, the home is arranged to suit both family living and entertaining. A welcoming reception hall, with Limestone flooring and marble borders leads to a range of reception spaces, including a large sitting room with garden views, a separate dining room, which in turn leads to bar area overlooking and accessing the gardens. The kitchen/breakfast room forms the heart of the home, offering generous workspace and room for an 8 seater dining table. A study, utility room and cloakroom complete the ground floor accommodation.

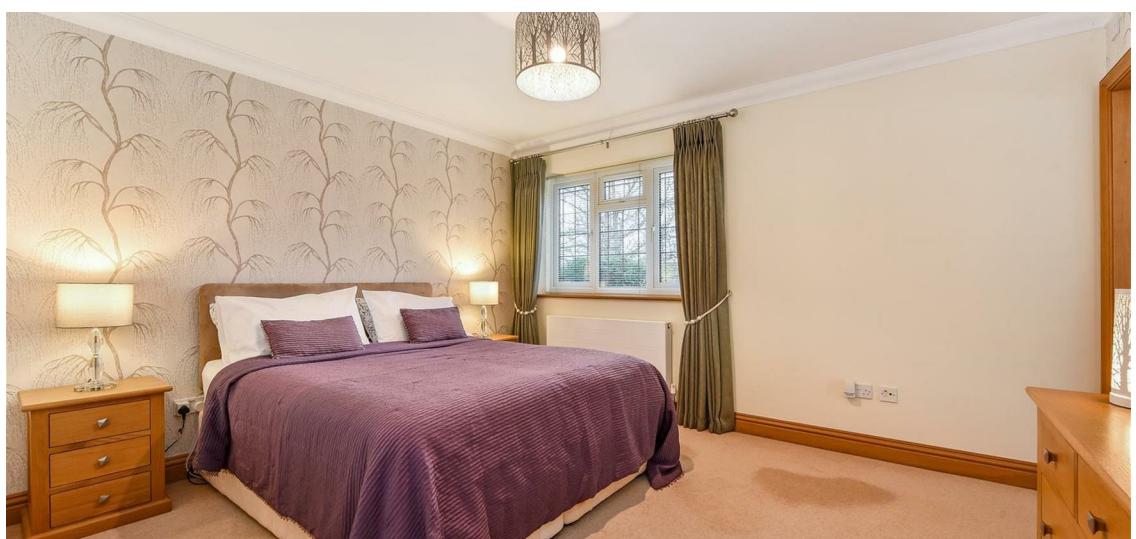

Upstairs, the property continues to impress with four bedrooms, two of which benefit from their own en-suite bathrooms and dressing rooms, providing excellent principal and guest bedroom suites. The remaining bedrooms are well served by additional bath/shower facilities, making the layout ideal for families or those seeking multigenerational living. Bedroom three, currently used as a study space has a door accessing a balcony which overlooks the rear garden.

Externally, the private rear garden is a particular highlight. Largely laid to lawn and bordered by mature planting, it offers a high degree of seclusion and an attractive outlook. An impressive outdoor entertainment deck provides the perfect space for alfresco dining, summer gatherings and year-round enjoyment, complemented by further outbuildings that enhance the lifestyle offering.
