Upon entering the house, a welcoming hallway sets the tone for the well-proportioned accommodation throughout. The main sitting room offers a dual aspect, featuring a warm and inviting atmosphere with direct access into the impressive conservatory. This substantial addition creates a fantastic second living space, flooded with natural light and offering views across the garden and into Queen's Enclosure beyond, making it ideal for both everyday family living and entertaining.

The kitchen and dining room forms the heart of the home, providing a sociable and functional layout with ample fitted units, worktop space and room for a large dining table. This space flows well for modern living and is supported by a separate utility room, offering further practicality and direct access outside. A downstairs cloakroom completes the ground floor accommodation.

On the first floor, the property offers four well-sized bedrooms. The principal bedroom is a comfortable double with its own en suite shower room, while the remaining bedrooms provide flexibility for family members, guests or those working from home. A contemporary family bathroom serves the additional bedrooms and is finished to a high standard, featuring a modern suite and stylish tiling.
