Unit D, Street Farm Barns The Street, Borden, Sittingbourne, Kent,

Unit D is a substantial steel portal frame building forming part of the Street Farm Barns at Borden, offering large-scale, flexible accommodation suitable for storage, workshop, or light industrial use. The unit provides a strong, functional specification and generous internal space, well suited to a range of commercial occupiers.

The unit benefits from a 4.8 m x 3.45 m roller shutter door providing access to the external yard, together with concrete flooring and electric lighting throughout. The internal layout offers clear working space, with approximately 3.7 m between central support columns, allowing flexible configuration for storage, racking, or operational use.

The unit also benefits from a 12.46 m² office, providing valuable administrative accommodation. The wider site is fenced and gated, accessed via a track from Pond Farm Road, offering security and excellent connectivity to Sittingbourne, the A2, M2 (Junction 6), and the wider Kent road network.

Location

Street Farm is situated just off Pond Farm Road in Borden, near Sittingbourne, providing convenient access to the A2, M2 (Junction 6), and the wider Kent road network. The property lies in a rural yet accessible location, approximately 3 miles north of Sittingbourne town centre, with nearby rail connections available at Sittingbourne Station, offering regular services to London and the Kent coast.
