Unit A, Street Farm Barns The Street, Borden, Sittingbourne, Kent, ME9 8JH

Unit A forms part of a commercial complex at Street Farm, Borden, comprising a mix of modern and traditional steel portal frame buildings in a rural yet accessible location. The unit is of modern steel portal frame construction and provides high-quality, versatile accommodation suitable for storage, workshop, or light industrial use.

The unit benefits from an eaves height of approximately 5.5 m, a 4.5 m x 4 m electric roller shutter door, concrete flooring, and electricity and lighting. Externally, Unit A enjoys access to a shared concrete yard with Units B and C, providing space for vehicle manoeuvring, loading, and operational use.

The wider site is fenced and gated, accessed via a track from Pond Farm Road, offering a secure environment with convenient access to the A2, M2 (Junction 6), Sittingbourne town centre, and the wider Kent road network. This combination of accessibility, security, and functional design makes Unit A particularly well suited to commercial occupiers seeking flexible, well-located accommodation.
