Immaculately presented throughout, this stylishly extended three-bedroom semi detached home offers modern and versatile accommodation in the popular village of Crossways. The impressive open-plan kitchen/diner forms the heart of the home, featuring a contemporary kitchen with central island and breakfast bar, integrated appliances, additional storage and wine fridge, while a separate living room provides a second reception space. Upstairs are two generous double bedrooms and a single bedroom, with built-in wardrobe space, alongside a modern family bathroom. Outside, the beautifully landscaped rear garden provides an attractive private setting, complemented by a covered family seating and entertaining area. A useful utility room, ground floor WC and ample on-street parking add further practicality, making this an excellent choice for first-time buyers or small families looking to establish themselves in Crossways, with local shops and amenities conveniently nearby.

From the moment you arrive, the property makes a great first impression, with its immaculately maintained presentation and ample on-street parking providing a practical welcome. Stepping inside, the accommodation has been designed with modern family living very much in mind, with a welcoming entrance

leading through to the main living spaces.

At the heart of the home is the impressive extended open-plan kitchen and dining area, creating a fantastic social space for everyday life and entertaining. The modern kitchen is fitted with a central island incorporating a breakfast bar, providing an excellent focal point and additional workspace, while a good range of storage, integrated appliances and even a wine fridge add both practicality and style. The extension allows the kitchen and dining space to flow beautifully together, with additional lounge/seating space providing flexibility for relaxing, entertaining or keeping an eye on family life.

A separate living room provides a more traditional and peaceful reception space, offering a useful contrast to the sociable open-plan kitchen and dining area. A dedicated utility room is also accessed from the central hallway, helping to keep laundry and everyday household essentials neatly tucked away and ensuring the main kitchen remains uncluttered. A convenient ground-floor WC further enhances the practicality of the accommodation.

Heading upstairs, the property provides three well-proportioned bedrooms. Bedrooms one and two are comfortable doubles, while bedroom three offers a versatile single room which would work equally well as a child's bedroom, nursery or home office. Built-in wardrobe space to bedrooms one and three provides valuable storage without compromising floor space.

The contemporary family bathroom has been finished in keeping with the rest of the home and features a modern suite with shower over the bath, vanity wash hand basin and WC.

Outside, the rear garden is a particular highlight. Well landscaped and thoughtfully arranged, it provides an attractive private setting with a mixture of planted areas and space to enjoy the outdoors. A covered additional family seating area creates an especially appealing entertaining space, ideal for enjoying meals, drinks or relaxing with friends and family whatever the weather.

Overall, Mount Skippet Way offers a turnkey modern home that combines excellent everyday practicality with stylish presentation, making it particularly well suited to first-time buyers and small families. With local shops and amenities nearby and the wider attractions of Crossways and Dorset within easy reach, this is a wonderful opportunity to put down roots in a popular and established village community.
