Set in the popular **Alders** area, close to world-famous **STONEHENGE**, this is a fantastic opportunity to put down roots in one of Wiltshire's most **SOUGHT AFTER LOCATIONS**.

You're welcomed into a central hallway which leads to the lounge, dining room, with stairs rising to the first floor and a handy ground floor shower room — ideal for busy mornings or guests.

To the front, the impressive 17ft lounge provides a warm and inviting space to unwind, with plenty of room for large sofas and family movie nights. French style doors lead out to the garden, creating a sociable layout that works beautifully for entertaining and celebrations, creating a seamless flow between indoor and outdoor living. The dining room boasts some built in storage and flows into the kitchen. To the rear, the extended kitchen is the heart of the home — well-sized with generous worktop space and room to move, making it perfect for family cooking and gathering with connection to the garden also. The utility room keeps laundry and appliances tucked away, helping the main living areas remain calm and clutter-free, with easy access out to the garden.

The first floor offers three well-proportioned bedrooms. The standout 17ft principal bedroom feels light and spacious, with ample room for additional furniture and boasting built in storage and an ensuite shower. Bedrooms two and three are ideal for children, guests or those working from home.

The rear garden is a fantastic, well-designed outdoor space that perfectly complements family living and entertaining. Immediately off the house, a generous raised timber terrace provides an ideal spot for al fresco dining, morning coffee or summer barbecues, with direct access from the rear doors creating a seamless indoor-outdoor flow. A further decked seating area to the side offers additional space for relaxing or hosting, making it easy to enjoy the sun at different times of day.

The garden is thoughtfully arranged with a level lawn area — perfect for children to play — bordered by gravelled sections and established planting in pots and beds, adding colour and character. A covered area to the rear provides useful sheltered storage or potential workspace, while fencing to both sides ensures privacy and a secure environment.

Well balanced between lawn, seating and practical space, this is a versatile and inviting garden designed for both everyday family life and effortless entertaining.

Just minutes from local shops and amenities, and within easy reach of the city centre and the beautiful water meadows, this is a home designed for putting down roots and enjoying everything that Salisbury living has to offer.
