Entering the property, the welcoming hallway

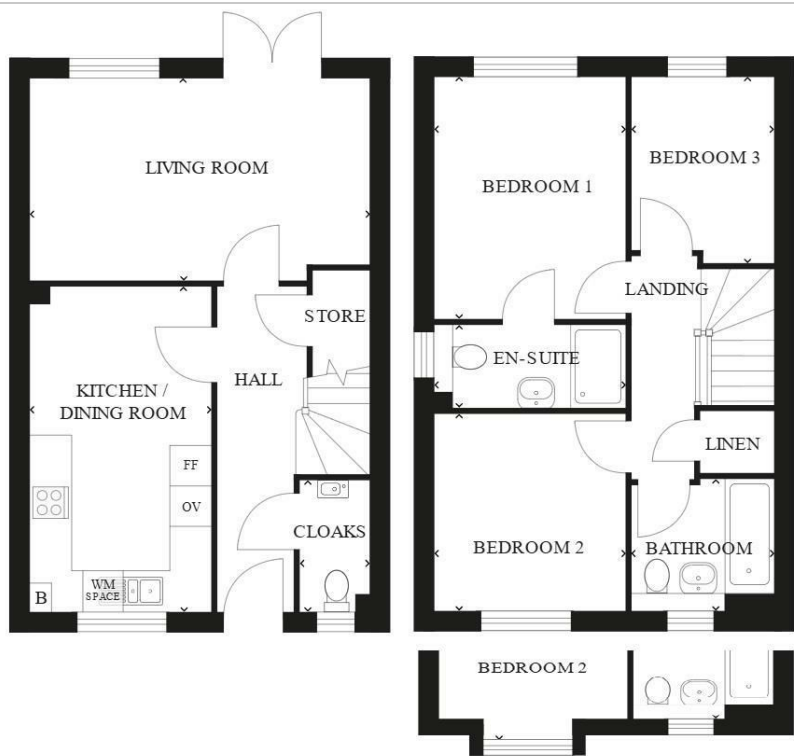

provides access to the lounge, kitchen diner, cloakroom and a generous understairs storage cupboard — ideal for coats, shoes and everyday essentials. The lounge is a well-proportioned and inviting space, with French doors opening directly onto the rear garden, allowing plenty of natural light and creating a seamless flow for indoor-outdoor living. The kitchen diner is stylishly fitted with a Symphony kitchen, complemented by laminate worktops and a stainless steel splashback. Integrated appliances include an Electrolux oven, brushed steel gas hob with chimney hood, and an Electrolux fridge freezer. There is space and plumbing for a washing machine, plus a removable unit providing the option to install a dishwasher. The dining area offers ample space for family meals and entertaining. A convenient cloakroom and excellent understairs storage complete the ground floor accommodation.

Ascending to the first floor, there are three bedrooms and the family bathroom. The principal bedroom is a comfortable double and benefits from its own ensuite shower room, fitted with a Mira React EV shower. Bedroom two is a further double, while bedroom three is a well-sized single, ideal as a nursery, home office or guest room.

The family bathroom comprises a bath, vanity wash hand basin, dual fuel chrome towel radiator and W.C., finished in a modern style.

Externally, the rear garden is predominantly laid to lawn and enclosed by high fencing, offering a good degree of privacy. A single garage with power and lighting, along with off-road parking for up to two vehicles, completes this highly desirable home.
