The bespoke shaker-style kitchen has been finished to an exceptional specification with an extensive range of handcrafted cabinetry, elegant stone worktops and a substantial central island incorporating a breakfast bar beneath feature pendant lighting. A comprehensive range of integrated Miele appliances includes eye-level ovens, whilst the striking reclaimed Belgian brick splashbacks and matching feature wall introduce warmth, texture and timeless character, beautifully complementing the contemporary design. The adjoining family seating area provides the ideal place to relax whilst remaining connected to the kitchen, making this a wonderfully sociable space.

The separate living room is equally impressive, featuring a striking vaulted ceiling and an expansive glazed gable with full-height windows and aluminium bi-folding doors opening directly onto the garden. Flooded with natural light throughout the day, the room enjoys beautiful views across the landscaped grounds whilst the impressive ceiling height creates a wonderful sense of space and grandeur. It is a truly elegant reception room, perfectly suited to both relaxed family living and formal entertaining.

Continuing through the ground floor, the well-appointed utility room provides excellent additional storage and laundry facilities whilst also offering internal access to the integral double garage, with a useful pantry positioned alongside. Two generous double bedrooms are situated on this floor, both beautifully presented and benefitting from their own private en-suite facilities. Bedroom two enjoys a luxurious en-suite comprising both a bath and separate shower, whilst bedroom three is served by a contemporary en-suite shower room. Both bedrooms, together with bedroom four, enjoy sliding doors opening directly onto the beautifully landscaped rear garden, creating a wonderful connection between the interior and outdoor space. Bedroom four is currently arranged as an elegant formal dining room, demonstrating the flexibility of the accommodation and lending itself equally well as a further double bedroom, home office or additional reception room. A beautifully appointed family bathroom, accessed from the hallway, completes the ground floor accommodation. Occupying the first floor above the garage is a magnificent principal suite, creating a private sanctuary away from the main living accommodation. The generous bedroom offers ample space for freestanding furniture and is complemented by a walk-in wardrobe, providing excellent storage before leading through to the beautifully appointed en-suite shower room. Together, these spaces create a luxurious retreat, perfectly designed to offer both comfort and privacy.

Externally, the property is every bit as impressive. Set within approximately half an acre of beautifully landscaped grounds, electric gates open onto a substantial block paved driveway providing extensive parking alongside the integral double garage and adjoining store. The gardens wrap around the home and are predominantly laid to lawn, framed by mature planting, specimen trees and established borders, with the woodland beyond creating a peaceful backdrop and an exceptional degree of privacy rarely found.

The Garden

Stretching across the rear of the property is an expansive porcelain paved terrace, offering multiple seating and entertaining areas perfectly positioned to enjoy the gardens. With aluminium bi-folding doors opening from both the kitchen/family room and the living room, the home effortlessly embraces indoor-outdoor living, allowing the entertaining spaces to flow seamlessly into the garden.

A true highlight of the grounds is the exceptional circular timber garden pavilion. Far more than simply a gazebo, this luxurious outdoor room has been thoughtfully designed with built-in wraparound seating, a central dining area, electricity, Wi-Fi connectivity and heating, allowing it to be enjoyed throughout the year. Whether hosting family celebrations, entertaining guests, working from home in a unique setting or simply unwinding in the tranquillity of the gardens, it provides a truly remarkable extension of the home and an outstanding lifestyle feature.

Adding to the property's already impressive credentials is the benefit of approved planning permission for a substantial one-bedroom self-contained annexe, extending across the width of the property above the kitchen and ground floor bedroom accommodation. This exciting opportunity provides excellent scope to create independent living accommodation for extended family, long-term guests or those seeking additional income potential, further enhancing the versatility of this exceptional home.
