Situated in a quiet residential area, this TWO BEDROOM END TERRACE home boasts well-balanced accommodation across two floors, a SUNNY REAR ASPECT GARDEN and is offered for sale with NO FORWARD CHAIN. Formerly, a THREE BEDROOM HOUSE, this property has great POTENTIAL for those looking to create a FAMILY HOME.

On the ground floor, the property features a welcoming lobby which spans across the front of the property and provides access into the porch.

A sizeable living room stretches the length of the original house, once

boasting dual aspect windows, meaning the property would be flooded with natural light once the front aspect window is reinstated.

The well-proportioned kitchen sits to the rear, with access to a practical lean-to ideal for additional storage or utility use and providing access to a downstairs WC which is conveniently located off the inner hallway.

Upstairs, the first floor comprises two good-sized bedrooms and a bathroom with a full-sized bath and overhead shower. The layout offers a great sense of space and flexibility for a small family with potential to be reverted back to a three bedroom family home.
