**\*STUNNING PENTHOUSE WITH PANORAMIC SEA VIEWS\***

A fantastic opportunity to purchase a piece of history with this extraordinary penthouse apartment with the luxury of unimpeded, 180 degree SEA VIEWS, SOUTH FACING roof terrace, expansive open plan living accommodation and two double bedrooms.

Boasting views from EVERY window in the property, this unapparelled apartment was formerly a boardroom for the Ministry of Defences' Admiralty Underwater Weapons Establishment, playing a crucial role in conversations surrounding research into under water

weapons and detection systems.

A door leads through into the entrance vestibule which provides access to all accommodation.

A sizeable, light and airy open plan reception area with well proportioned kitchen dominates the front of the property with unusually large, south westerly aspect window. This wonderful space has a real feeling of grandeur due to it's exceptionally tall ceilings, ample light and sea views.

The kitchen consists of ample wood effect, shaker style units complimented with a grey countertop with matching floor and wall tiles.

The viewing room is currently utilised as a dining area, boasting ample space for a table as well as 180 degree sea views from East to West.

To the rear are two generously proportioned double bedrooms both with ensuite shower rooms.

Completing the property is a sun room which opens out onto a south facing roof terrace with summer house and far reaching views to include Portland Bill Lighthouse.
