Arranged over three floors and extending to approximately 1,844 sq ft, the accommodation has been carefully configured to maximise both space and functionality whilst retaining the character and charm synonymous with homes of this era. The welcoming entrance hall leads to an elegant living and dining room, a beautifully proportioned reception space ideal for both everyday family living and entertaining. To the rear, the stunning kitchen has been designed

as the true heart of the home, featuring a substantial central island that provides both a focal point and an ideal space for informal dining and social gatherings. Offering generous workspace, excellent storage and ample room for family life, the kitchen is perfectly suited to modern living. Full-width bi-fold doors open seamlessly onto the rear garden, creating an effortless connection between the indoor and outdoor spaces and allowing the room to be flooded with natural light. A practical utility room and WC further enhance the functionality of the ground floor.

The first floor offers highly versatile accommodation tailored to modern lifestyles. Bedroom Two is a generous double bedroom, whilst Bedroom Three is currently arranged as an additional reception room, providing a superb secondary sitting room, snug or family room. Bedroom Four is presently utilised as a dedicated home office, ideal for those working remotely, although it could easily be reinstated as a bedroom if required. These rooms are served by a stylishly appointed family bathroom, all presented to the same exacting standard evident throughout the home.

The second floor is dedicated to a stunning principal bedroom suite, creating a private retreat with excellent proportions and a luxurious feel. Benefiting from a contemporary fitted en-suite shower room, this impressive space offers a peaceful sanctuary away from the main living accommodation and enjoys a sense of privacy rarely found in homes of this style.

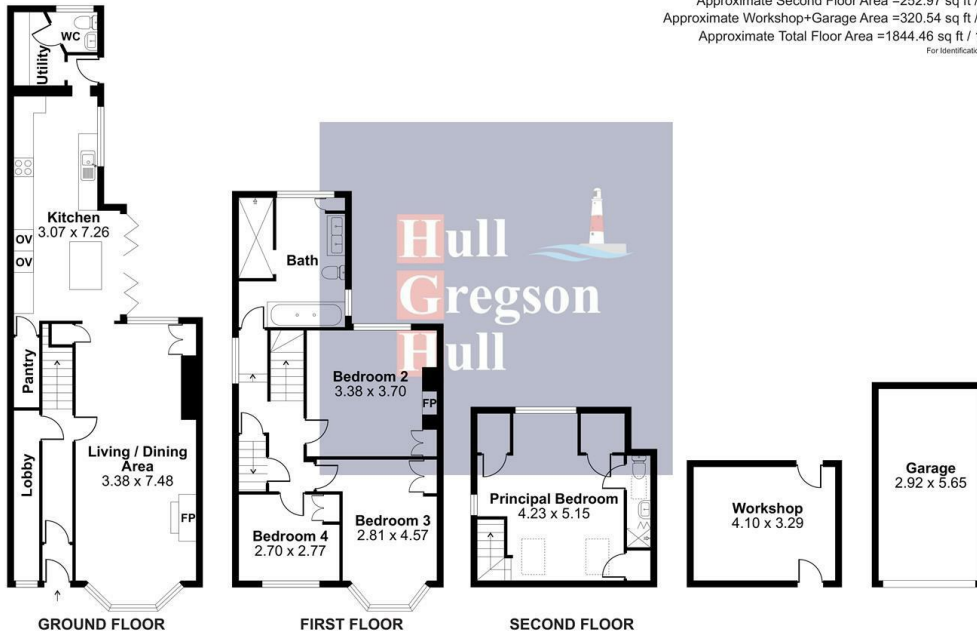

A paved terrace provides an excellent spot for outdoor seating or alfresco dining, seamlessly leading onto a neatly laid artificial lawn, perfectly kept all year round with minimal upkeep. Flanking the lawn, a series of bespoke raised timber planters showcase a variety of well-established greenery and colourful planting, adding texture and visual interest. The property benefits from the rare addition of a detached workshop and garage, providing superb flexibility for hobbyists, home working, storage or further ancillary use, subject to any necessary consents.
