Situated in the sought-after PRESTON DOWNS, this beautifully designed two-bedroom apartment offers the perfect blend of modern living and a prime location. Set within a well-regarded development, the home is thoughtfully laid out and filled with natural light, featuring a spacious open-plan living area, two generous bedrooms — including a principal with en-suite — and stylish finishes throughout. Ideal for first-time buyers, downsizers, or investors, this property combines comfort, convenience, and a desirable location.

Step through the front door into a welcoming hallway that neatly connects all the main rooms of the

apartment. Directly ahead, you'll find the heart of the home — a spacious open plan lounge, kitchen, and diner. This airy, sociable space is perfect for relaxing or entertaining, with French doors that flood the room with natural light and lead out to what could be a balcony or patio area. The kitchen sits smartly in one corner, complete with some integrated appliances and plenty of worktop space, blending style and functionality.

Returning to the hallway, take the first door on your right into Bedroom 2 — a well-proportioned room ideal for guests, children, or even a home office.

At the far end of the hall, you'll enter bedroom one, the larger of the two. This peaceful retreat includes its own en-suite bathroom, adding a touch of luxury and privacy. Next door is the main bathroom, fitted with a bathtub, toilet, and basin — perfect for unwinding with a soak after a long day.

The layout is thoughtfully arranged, maximizing space and comfort while keeping the living and sleeping areas subtly separated. Whether you're starting out, downsizing, or looking for an investment, this home has everything you need.
