## Local Area

May Bower Gardens enjoys a discreet position at the end of a no-through road, enhanced by a natural backdrop of mature trees that provide both privacy and a sense of tranquility. Despite its peaceful setting, the development lies just moments from some of the most striking and celebrated stretches of coastline in Britain.

Portland itself is a truly distinctive and picturesque island on the South Dorset coast, connected to neighbouring Weymouth by the world-famous Chesil Beach. Renowned for its dramatic natural scenery, the island offers rugged cliffscapes, wildlife-rich quarries and the iconic Portland Bill lighthouse, a landmark that has guided mariners for generations.

Historically, Portland is synonymous with its globally renowned limestone, Portland Stone which has been quarried for centuries and used in many notable buildings across the world. The island also holds a proud maritime heritage, with an active port and a modern marina that continue this tradition today. More recently, Portland's exceptional sailing conditions earned it international recognition as the host venue for the sailing events of the London 2012 Olympic Games.
