FOAM INSULATION IN THE ROOF***

A well presented TWO BEDROOM
END OF TERRACE STARTER
HOME, tucked away in a quiet cul-de-
sac and offered to the market with NO
ONWARD CHAIN. This well-
maintained property makes an ideal
first-time purchase, benefiting from
versatile living space, ample parking,
a LARGER THAN AVERAGE
GARAGE, and a deceptively
generous rear garden.

Upon entering the property via a
purpose-built porch, an internal door
opens into a spacious front-aspect
living room, providing a welcoming
and comfortable main reception

space. To the rear, the fitted kitchen offers a range of eye and base-level units along with space for a variety of domestic
appliances.

Completing the ground floor is a substantial single-storey rear extension, creating an exceptionally versatile additional
reception room. Flooded with natural light from triple-aspect windows and French doors opening onto the rear garden,
this flexible space is ideal as a dining room, family room, home office, or playroom.

The first floor comprises two well-proportioned bedrooms. Bedroom One enjoys a front aspect and benefits from built-in
storage, while Bedroom Two overlooks the rear garden. A modern fitted shower room completes the first-floor
accommodation.

Externally, the property offers off-road parking leading to a larger-than-average garage with a traditional up-and-over
door. The garage also benefits from a useful WC, enhancing its versatility for workshop, storage, or hobby use.

To the rear, the garden is deceptively spacious and thoughtfully arranged with a combination of lawn, patio, and planted
borders, providing an excellent setting for outdoor entertaining and family enjoyment.

This fantastic starter home combines practical living space with flexible accommodation and is conveniently offered with
no onward chain, making for a straightforward move. Early viewing is highly recommended.
