Upon entering the property, you are welcomed into a bright porch. This space is ideal for storing shoes and coats. The entrance also leads into the second, spacious double bedroom. This bedroom offers excellent flexibility and privacy. The room benefits from its own private entrance, while remaining connected to the main home making it ideal for multi-generational living, guest accommodation, or a holiday let. The

bedroom has an en-suite bathroom, fitted with bath and shower over. The room also has built in storage cupboards offering practical accommodation.

Adjacent to the second bedroom, the property benefits from a utility space for everyday practicality and access into the double garage.

The first floor is heart of the home, offering well designed and contemporary living accommodation. This level includes the main bedroom, which is a comfortable and inviting space with built-in storage cupboards. Also located on this floor is the main shower room fitted with quality modern fixtures such as walk in shower cubicle, W.C., wash hand basin and heated towel rail.

Completing the first floor is a welcoming and bright open plan living area with a modern fitted kitchen and dining space. This area is designed for both everyday living and entertaining and has the luxury of a Juliet balcony and Velux windows allowing natural light to flood the room. The living area has space for stylish sofas, coffee tables, free standing storage cabinets and television. The kitchen is well equipped with sleek work surfaces and base level units. The kitchen benefits from integral dishwasher, fridge, oven, hob and extractor. Positioned alongside the kitchen, the dining area provides a sociable space for either sitting to eat a home cooked meal or entertaining. This arrangement offers a practical and welcoming setting for family dining, and as a holiday let, where guests can easily gather, socialise, and enjoy meals together.

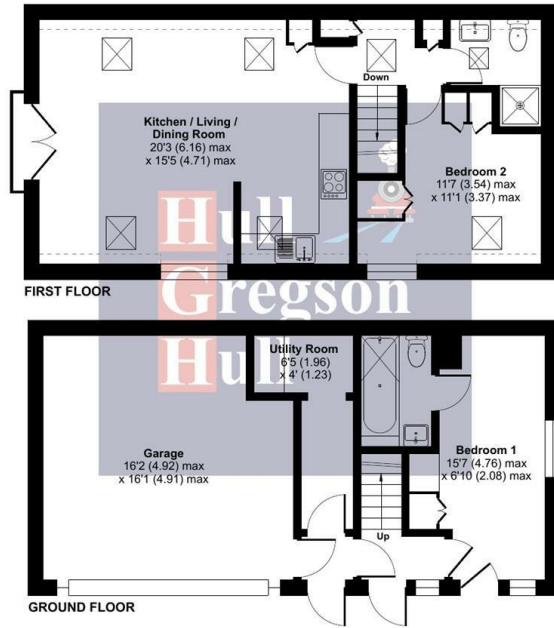

The outdoor decking area is great for al fresco dining or having a relaxing morning coffee. The property also has a large double garage which can be used for workshop space, storing beach equipment or parking for two cars.
