- Large Forecourt For Multiple Vehicles
- Additional Garages
- Central Location
- No Chain / Ready To Go
- Huge Potential
- Large Outbuilding Included
- Ideal Investment

Nestled in the heart of Swanage, on Victoria Avenue, Greystone Garage presents a remarkable opportunity for investors and entrepreneurs. This substantial Purbeck stone-built workshop has been a thriving car garage for over 25 years, previously specialising in vehicle repairs and MOT services. Spanning approximately 800 square metres, the property boasts ample storage and parking facilities, making it an ideal setting for various industrial uses. There is a W.C onsite and a separate office.

The garage's strategic location between the two main industrial

areas of Swanage, alongside a petrol station with a shop, enhances its appeal. The property features a spacious yard area, perfect for parking and manoeuvring vehicles, ensuring convenience for both staff and customers. Parking on the forecourt is aplenty.

Furthermore, a detached stone building on the site includes both power and light and would make for a great store or office space, given it's generous size.

This property represents a lucrative business opportunity. With its rich history and promising future, Greystone Garage is a unique investment that should not be overlooked. Whether you are looking to continue its legacy as a successful garage or embark on an exciting development project, this property is poised to meet your aspirations.

Victoria Avenue, Swanage, BH19
