A TWO BEDROOM BUNGALOW in a CONVENIENT LOCATION a SHORT DISTANCE from SWANAGE TOWN CENTRE offering SCOPE FOR IMPROVEMENT or EXTENSION (STPP).

Situated in an elevated position on Manwell Road, a cul de sac close to open countryside approximately half a mile from Swanage town centre, the sea front and all amenities, this bungalow has spacious accommodation and sits on a good sized plot with gardens to the front and rear. There are some distant sea views from the rear of the property and a single garage sits to one side.

The front of the property has a westerly

aspect and is approached over a driveway offering off-road parking for two or three cars. Steps lead up to the main door and there is gated access between the bungalow and garage to the good-sized rear garden.

Inside, a spacious hallway with built-in airing cupboard and hatch to the loft, leads through to the large kitchen which has a dual aspect and view over the rear garden through a lean-to conservatory which spans the rear of the property. Steps descend from the conservatory to the back garden and there is a good sized storage space beneath the conservatory. The kitchen area could comfortably incorporate a dining area but, along with the conservatory, is in need of updating. There is a gas supply for a cooker.

The westerly facing lounge has generous dimensions with a mock fireplace housing an electric, coal effect fire and a pleasant outlook over the open, raised front garden. Both bedrooms, one of which has a built-in double wardrobe, offer bright and spacious accommodation, but do require some re-decoration.

Typical of a 1960s bungalow, there is a bathroom comprising panelled bath and washbasin, and separate WC with hand wash basin, both of which may require updating. The property has the benefit of gas fired central heating and, excepting the conservatory, has double-glazed windows installed.

This bungalow offers a refurbishment opportunity and would appeal to those wishing to CREATE a PERFECT HOME BY THE SEASIDE
