Following through the hallway we are invited into the pristine kitchen and dining room. This beautifully modernised space is decorated in contemporary white and grey, offering sleek, generous worktop space with base and eye-level units providing plenty of storage. The kitchen is fully fitted with integral appliances including a fridge/freezer, oven and grill, dishwasher, four-ring electric hob, wine fridge and dual inset sink. The kitchen also has the added luxury of a separate utility room with inset sink, space and plumbing for a washing machine and drier, with further worktop space and storage. There is a three-seater breakfast bar with stylish smoked hanging lights, boasting an ideal place to enjoy your morning coffee before venturing into the dining room. The dining room is drenched in natural light through the stunning atrium and floor-to-ceiling bi-fold doors leading onto the enclosed rear garden. Here, there is plenty of space for grand dining table and chairs to enjoy family meals under the stars in the summer. The dining room then leads to the living room, a cosy and airy space ideal for relaxing and enjoying the view over the garden.

Upstairs

Upstairs, the stylish modern design continues with crisp white walls and fresh grey flooring throughout. The upper floor landing has the additional benefit of built in storage and leads to four double bedrooms and family bathroom. The principal room is a generous double bedroom with built-in storage and ensuite shower, comprising shower cubicle, vanity unit with wash basin and W.C. Bedrooms two and three are both good sized double bedrooms, ideal for children's bedrooms, also benefitting from built in storage. Bedroom four is another double bedroom with pleasant views over the garden, ideal for guest accommodation or a nursery. The family bathroom is situated between bedrooms three and four, comprising a panelled bath with shower over, and W.C.
