The Perfect Holiday Let Opportunity

Very CONVENIENTLY SITUATED in Swanage town Centre, 'Windjammer' is an ATTRACTIVE TWO BEDROOM, Grade II listed Terrace Cottage which provides an EXCELLENT OPPORTUNITY to acquire a snug HOME or INCOME from holiday letting. It is ideally located just a few metres from all amenities including restaurants, shops and theatre. The promenade, beach, downland with coastal walks and the renowned Victorian Swanage Pier with Diver Training School are all in close proximity to the cottage. There is ample street parking close by and also a long stay public car park within easy walking distance.

Enter from Taunton Road into the cottage with the pretty whitewashed facade and royal blue paintwork of the row of cottages, formerly part of the old Ship Hotel.

The main room is westerly facing and

features a large, almost wall length and traditionally paned windows with deep internal window sill which enhances the airiness of this open-plan living and dining area. A seaside-blue themed kitchen sitting neatly to one side, simply arranged with worktops, breakfast bar, inset gas hob with oven under and inset sink. Display shelves add to the quaintness of the kitchen. There is a large utility storage cupboard under the stairs with space provided within for a fridge with freezer tray. There is a small second cupboard with space for a plumbed in washing machine.

The lounge area, an ideal space for repose after a day at the beach or clifftop walks, offers ample room to position a couch and easy chairs, coffee table and TV unit if desired plus dining table and chairs for informal dining.

A staircase turns and rises to a small landing with both bedrooms in pale decor and brightly illuminated from their westerly aspect. Bedroom One can be arranged as a twin room, though there is room for 3 single beds, and has a large storage space siting the gas boiler and offering use as a wardrobe.

Bedroom Two has space for a double bed and both rooms afford space for some freestanding bedroom furniture.

The bathroom, continuing the seaside theme, comprises a modern suite of wood panelled bath with overhead shower, wash basin and WC.

"Chandlers." is a cluster of attached cottages each with a nautically themed name situated behind the old Ship Hotel which dates from the 18th Century and is steeped in local history. Windjammer is a delightfully cosy cottage which has to be seen to be appreciated.

The property is currently used as a successful holiday let and generates an annual income of in the region £20,000 due to it's superb location and close proximity to the town and beach.
