touch of luxury to the space. Adjacent to the living room is the separate dining room, which could also be used as a ground floor bedroom for multi generational use. There is ample room for either a double bed and storage, or a family dining table and chairs. Opposite the dining room is a convenient ground floor cloakroom with W.C., and wash basin. At the end of the hallway is the stylish kitchen, fitted with both base and eye-level storage units, brand new oven and electric hob, inset sink and space for a dishwasher. There is ample room for a breakfast table, and the kitchen benefits from side access into the garden.

Upstairs, the landing provides access to the three double bedrooms, separate W.C., and family bathroom. The landing has also been fitted with outlets to house a washing machine and drier.

Bedrooms two and three are good sized double bedrooms and both offer pleasant views towards the garden. The separate W.C., is conveniently situated next to bedroom three. Bedroom one is a spacious double bedroom at the end of the hallway, with bay window, and space for free standing storage. Adjacent to the bedroom is the family bathroom which comprises a panelled bath and shower over with screen, heated towel rail and wash basin.

Outside, the rear garden faces south westerly and offers plenty of sunshine throughout the day. Currently is laid with concrete and provides a blank canvas to create your ideal garden.
