Welcome

Welcome to Victoria Avenue, a broad, tree-lined residential road in the seaside town of Swanage, known for its peaceful atmosphere and attractive, detached period homes. Situated just a short walk from the town centre and the award-winning beaches of Swanage Bay. Built in the 1910s, this substantial five bedroom family home is currently run as a successful holiday let business. It boasts the opportunity to earn additional income, whilst being a comfortable family home. The property presents character features throughout including striking bay windows and beautifully reinstated cornices and covings.

Step firstly through the gate into your Southerly-facing front garden. This welcoming garden is mostly laid to a manicured lawn and bordered with mature shrubs for a sense of seclusion. Through the main entrance, French doors welcome you into the lobby, a great place to store coats and shoes before stepping into the main hallway.

Doors then lead off to the living room. This is a bright and comforting space with a feature Purbeck stone fireplace surround, inviting a charming sense of character to the space. The bay window floods the room with natural sunshine, and the room is generously proportioned, allowing space for a comfy sofa suite, coffee table, TV & console and display cabinets. Opposite the living room is the kitchen, a modern yet homely room with plenty of space to dance around the kitchen together making family meals. The stylish kitchen comprises granite worktops, both base and eye level storage cabinets and an impressive five ring gas cooker. Uniquely, the kitchen also boasts two integral ovens and a plate warmer, reminiscent of when the home was run as a B&B. The kitchen then leads into the conservatory, which overlooks the pretty rear garden. The conservatory provides space for a large sofa suite and coffee table, an idyllic place to enjoy quiet time whilst gazing over the garden.
