The main door of the property opens into a large Vestibule with plenty of space to hang coats and place outdoor footwear before stepping through glazed doors into a surprisingly big Hallway with stairs rising and turning to the first floor. To the right, the Lounge is brightly lit through dual aspect windows and has additional light filtering through

glazed doors from the hall and kitchen. This comfortable room has a cosy ambience enhanced by focal fireplace with inset electric fire.

The well-proportioned Kitchen/Dining Room is accessed from the hallway and lounge; French doors open onto a paved and gravelled courtyard, a sheltered and enjoyable spot to enjoy breakfast in the morning sunshine. Inside, there is ample space to set a large dining room table; the Kitchen area provides a large counter top/breakfast bar, worktops with inset sink, base and wall-mounted cupboards; electric oven and hob are built in and have a filtration hood over and space is provided for a fridge/freezer. A through door takes you to a large Utility Room to find space for washing machine, a sink unit, wall and base storage units. Glazed doors lead to both rear garden and the pathway to the front of the property. Furthermore, an ideally positioned Shower Room with shower cubicle, wash basin and W.C. provides an excellent facility to clean muddy boots or paws.

On the first floor, the impressive Main Bedroom presents a westerly facing outlook towards countryside and hills through wall-length, floor to ceiling window. A glazed door opens onto the private decked Balcony with a railing shrouded with wisteria, a perfect elevated place to set bistro table and chairs and to admire the view in the afternoon and sunset in the evening.

Bedroom Three sits alongside the Main Bedroom and offers the flexibility to use as an Office, Study or Music Room. Similar to the main bedroom has a westerly facing and ample space for freestanding furniture. There is also has potential extend into the loft from this room (subject to relevant permissions).

Bedroom Two has the benefit of dual aspect windows allowing morning and southerly light to fill the room and has a pleasant outlook over the rear garden. This tastefully decorated bedroom also offers ample space for free-standing or fitted bedroom furniture and furnishings. Adjacent to this bedroom, a smart and modern family Bathroom has great floorspace and comprises both bath and a shower cubicle, washbasin and W.C.

Outside the Front Garden is shingled and paved and stocked with easily maintainable shrubs and ground cover. The attractive, private and sheltered Rear Garden has the benefit of shed and store. It is simply arranged with lawn and some mature shrubs and apple tree. Beyond through a secure gate a parking area is accessed from Ballard Road and across a right of way, provides hard standing parking for up to four vehicles.

This substantial and beautiful semi-detached property might easily be mistaken for a fully detached property, and can only be judged by an internal inspection, which is highly recommended.
