As we walk through the room, we are greeted by serene, muted tones of neutral stone colours, space for cosy sofas, coffee table and beautiful views towards the Purbeck hills. Just behind the living area is room for a large family dining table and chairs, framed by large French doors, beckoning you out onto the garden. The living area also boasts an original wrought-iron fireplace for a touch of character. Across the hallway we are invited into the kitchen/dining room, a generous space which continues a feeling of luxury throughout. There are newly-fitted base and eye-level

storage cupboards, white marble-effect worktops, inset sink overlooking the hills, electric four-ring hob and oven under, and a dishwasher. Notably, there is a quaint breakfast bar for two to enjoy morning coffee or evening drinks. The kitchen also provides access into the garden. At the end of the hallway is the home office, a comfortable room with space for a desk, dual aspect windows for plenty of natural light, a separate W.C., and wash basin. Additionally, there is further access from the home office into the garden. This is an ideal place to work from home or enjoy hobbies, set away from the busy household. Flowing back through the hallway, stairs rise onto the landing. Stepping firstly into bedroom one which is a spacious double room with ensuite shower, comprising of shower cubicle, W.C., and wash basin. The bedroom has space for a large double bed and wardrobes, with pleasant views over the hills.

Adjacent to bedroom one is the family bathroom, comprised of bath with shower over, and wash basin. Conveniently situated next door is a handy storage cupboard for towels and linens, and next to this is a separate W.C. and wash basin. Bedroom two is another spacious double room with dual aspect windows for plenty of sunshine and even more hill views. Finally, bedroom three makes for an ideal guest room for younger family members or another office if you both work from home!

The gravelled area leads to a shingled garden which is ideal for flower beds or vegetable patches. Finally, there is a lawned area just waiting to be landscaped into something beautiful. The garden also has side access through a gated entrance which leads us to the garage and parking for two cars, plus a further lawned area for presenting your best flowers and shrubs.
