There is also an array of boutique and independent shops which really make Swanage a world of its own.

Situated close to the entrance of Bay Crescent is this delightful three bed semi-detached house. Step through the front door into the bright and inviting hallway, leading firstly to bedroom two. This is a good sized double room with fitted mirrored storage and large window, allowing plenty of sunshine to spill in.

The hallway then leads to the living room, a spacious yet cosy space with accent wall which is ideal for an electric fireplace. There is space here for a large comfy

sofa, coffee table, and a nook which is perfect for a TV set up and console. There is beautiful wood-style flooring through, leading to the dining area. This unique space is ideal for a dining table and chairs, with floor to ceiling windows overlooking the garden. The sun roof allows the sun to flood in, making this a perfect area for entertaining family and friends all year round. The kitchen is situated opposite the living room, and is equipped with base and eye level storage cupboards, inset sink, space and plumbing for a washing machine, dishwasher, and four-ring gas hob with gas oven underneath. The kitchen has a pleasant view over the garden to enjoy whilst improving your culinary skills! From the kitchen, there is a doorway leading to a utility area, idea for storing garden tools or perhaps a clothes drier.

Conveniently nestled between the living room at kitchen is the family bathroom, with bath tub and shower over, wash basin and W.C.

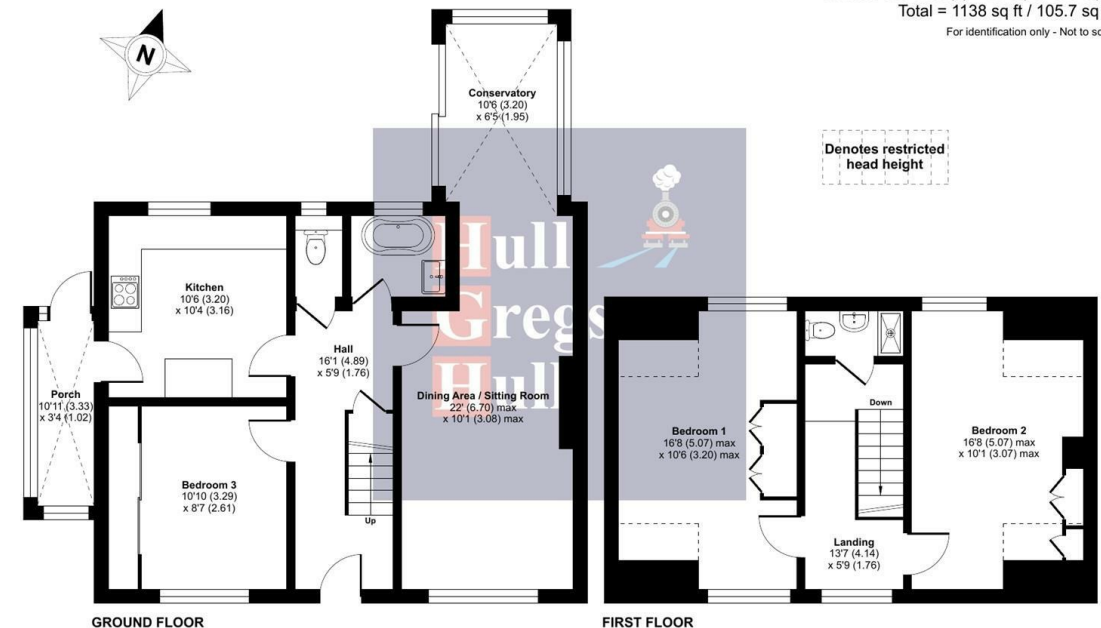

From the hallway, there are stairs leading to the first floor accommodation. At the top of the stairs, there is a shower room serving the principal bedroom and bedroom three. Bedroom three is currently a double room with vaulted ceiling and a window nook overlooking the garden. An ideal spot for a desk to work from home. There is also space for large wardrobes and there is some eaves storage.

The principal bedroom is across the landing, a good sized double room with a window nook overlooking the garden. There is eaves storage as well as built in wardrobes.

Outside to the rear of the property, is the long and versatile garden is mostly laid to lawn, with a large tree providing much needed shade in the Summer months. There is a walled patio area leading to a raised decking, perfect for alfresco dining with family and friends.
